Bill Hicks Spirit Award winning comedian and best selling author Jeff Kreisler proves that, in these times, there's only one proven path to ridiculous amounts of money: Cheating. There's been cheating for wealth ever since God created the heavens and Earth in six days, then submitted an invoice for seven. Everyone's doing it - from sleazy CEOs to juiced-up athletes, silicone-enhanced movie stars, and expense-report enhancing MPs - Why Not You?

Based on his Boston Globe bestseller (from HarperCollins), Jeff Kreisler presents *Get Rich Cheating*, a satirical how-to, exploring the real life scams that brought the world to its knees, and got so many people so very rich.
