**Barrelhouse Theatre presents *Blackbird* by Adam Rapp: a ferocious modern love-story between two troubled individuals who are caught in a continuing loop of bad luck and bad choices.** Julie Roundtree plays Froggy, an ex-stripper and amateur prostitute with a penchant for heroin and is recently diagnosed with hepatitis. She is living with Baylis (played by Tony Bullock), an incontinent, impotent, and ill-tempered Gulf War veteran. Together they can get through anything. For Reservation call 202-462-7833.
