This is what Chinese Menu is all about. People and communities getting together for fun and laughs. This show brings you improvisors from at least 4 cities. This Menu features the following: Menu Hall of Famer Katie Dufresne returns from Chicago, joining fellow hall of famer Shawn Westfall. Former WIT players Jordan and Amanda Hirsch are coming down from New York. Aparna Nancherla takes a break from writing for *Totally Biased* to return to the Menu, and Menu Alum Rachel Showalter returns from Charlottesville. Jordana Mishory and Brianna Lux grace the menu for the first time while Menu mainstays Justin Purvis, Sean Ellis and Karen Lange come back for more. We even get Melissa Rawat out of retirement!! The Menu is also proud to welcome Megan Johns for her first Menu appearance. Megan is an actor, improviser and also teaches at Annoyance Theater in Chicago. You can listen to her interview with Kevin Mullaney on the IRC podcast if you click this [link](#). So come out and enjoy the holidays with us!
