April 5 — April 29

Thursdays — Sundays, 7:30 PM

\$22 DCAC Members/ \$25 General Admission

Spidermusical subverts the superhero genre by posing the question: what really happens when nerds get bitten by radioactive spiders? The answer is a low budget spectacle of rock n roll, and musical comedy. Presented by Landless

Theatre company and based on the book by Randy Blair and Timothy Michael Drucker creators of Perez Hilton Saves the Universe. This production gets 5 stars from the DC Metro Theater Arts; read the review [here](#). Book tickets

now at www.LandlessTheatre.com.
