

Naked Girls Reading: Erotica

January 10

It was such a rousing good time last year we had to bring it back to ring in 2014. Join DC's official *Naked Girls* for an aural assortment of Erotica to warm your *ahem* bones. As an extra special treat, we will be joined again by that "Porcelain Provocateur", Lucy Flawless, from Chicago.

We invite you to join us at our home, the DCAC, to kick off the New Year with sexiness. *Naked Girls Reading Presents Erotica* will showcase tales of naughty tricks, lustful yearnings and a salacious rendezvous or two, if you're lucky. Cherokee Rose is delighted to return to DCAC with the lovely Gigi Holliday, Cherie Sweetbottom and special guest Lucy Flawless to entertain, seduce and even educate you.
