Theyrrrrreeee back! Jay Malsky and Robbie Chernow, better known locally as founding members of local improv legends The Punctual Drunks, return from the Big Apple on Friday, May 17th for what is sure to be an incredible show! Join them at DCAC along with their very funny friends Aboulia!, OverCommitted, and That Was Awkward as they show off all the cool new tricks they've learned up there in New York! Nikki Stowers will reprise her award-winning role of Host! Come throw flowers and candy at them! Something absolutely crazy is bound to happen with all of these comedic talents; don't be the person who has to hear about it on Facebook after the fact!
