The Penthouse Basements are a comedy improv troupe built by DC's amazing network of adult kickball, careers in non-profits, and Craigslist. We have been in existence in some form or the other since 2008. Ranging from the overqualified comedian to your average class clown, our troupe members can make you laugh, cringe, and cry all at the same time! We're a troupe of plus or minus 7 that practices weekly in either a penthouse or basement to sharpen our wit, accents, and funny bones. We have been showcased in Capital Comedy Connection, Montgomery County's #1 cable access comedy show, and have performed live at Larry's Lounge, an AdMo bar that Washington Post's "Going Out Guide" hails as the most amazing "simple neighborhood hangout that welcomes everyone." Our troupe members include Paige Wooden, Jeremy Lynch, Alison Afoote, David Lomison, Dave Johnston, Pete Pinocci, and Fred Henderson.
