Valentine's Day didn't go exactly as you planned? Who needs chocolate, flowers or mortals when you can have tall, dark and sexy vampire stories? DC's official Naked Girls return to bring a new twist to the monotony of Valentine's Day with Love Bites, a Vampire Valentine. As they say no one can truly love forever except a vampire.

Naked Girls Return to the DCAC to show why a vampire apocalypse could be a good thing. *Naked Girls Reading Presents Love Bites* will showcase tales of mesmerizing eyes, rapid pulses and truly eternal love or heartbreak. Cherokee Rose is delighted to return to DCAC with the lovely Gigi Holliday and Cherie Sweetbottom to entertain, seduce and even educate you. Special Guest *Naked Girl* to be announced!
