\$10 General/ \$5 for DCAC Members

Upright Citizens Brigade meets Def Poetry Jam meets comedy-folk duo Garfunkel & Oates in Cali Bulmash and Emily Lowinger's genderfunk cabaret. Strap in for a musical ride through the many stages of life and shades of love-- required, unrequited, gay, straight, queer, or, well, just "creative." WARNING: Contains wonderfully, hilariously, poignantly, adult material. Featuring local poet, Julia Jordan.
