November 14

Friday at 10 PM

\$25 General/ \$20 DCAC Members

Remember remember the month of November. For your Naked Girls will be getting in touch with their sensitive sides with a poetry-themed show! How many ways will they find to compare the audience and (each other) to a summer's day? One can only find out if they attend. This month will also feature special guest Dominique Trixx! An original member of Naked Girls Reading Chicago, the city that started a naked revolution
