Pony! Poni! Pone!

Standup from some of the DC area's finest!

They're baaaaack! The Amie and Kristen Show returns to DC on April 11th, for some fabulous late night fun! Amie Roe and Kristen Schier, best friends, total babes, and awesome sauce improvisers have left local audiences in hysterics at both of the District Improv festivals and Happy Buddha, and they're coming 'round again for what is sure to be an amazing show, and offering brand spanking new workshops for the people in the bargain!

Joining these amazing ladies are the splendiforous improvisational pride of Charm City, GUS, and two lovesexy laugh-inducing DC troupes, Pony Poni Pone (I happen to know for a fact that one of their members has been voted 'Sexiest Buddha in the DMV' five times running.) and Mount Lincoln's Beard! Our host for the evening's festivities is the hilarious Tim D. Miller!
