

**Molotov Theatre Presents:**

**THE MARGINS**

April 2 - 26

Thursdays through Sundays at 7:30 pm

\$25 / \$20 DCAC Members

\*No late seating; please allow time for parking\*

Fresh from its sold-out, Helen Hayes Award nominated production of “Nightfall with Edgar Allan Poe” comes Molotov’s chilling production of “The Margins” by David Skeelee. Loosely based on the true story of The Philip Experiment in Toronto in the 1970s, five paranormal investigators and a skeptical reporter visit a haunted manor to create and raise a spirit as a psychic experiment – until that experiment goes horribly better than they imagined.
