September 30, October 1  
Friday & Saturday at 8 pm

Rabble Crew Productions presents a double-shot of light theater.

Friday we feature bawdy comedy (think SNL) written and performed by local women including Star Johnson, Madeline Farrington, Cristen Stephansky, Yvonne Paretzky, and Kristina Brooks.

Saturday will be an evening of side-splitting staged readings with light blocking. Playwrights featured will include Dara Gold, Matt Spangler, and Jessica Bylander.

Both evenings contain adult humor, offensive language, off color jokes, and women in pearl clutching situations.
