Tabla for Two is a musical duo consisting of Masood Omari and Abigail Adams Greenway. Masood has created original compositions drawing from rich musical traditions, blending classical Eastern beats with Western style to produce a powerful fusion for the tabla and harmonium. Many who have heard this music describe it as mesmerizing, energizing and transcendental. It is without a doubt unique! Tabla for Two will be joined by Sofya Savkina, dancer, and Helen Burns, singer, for this performance.
