

THE RUDE MECHANICALS PRESENT:

RICHARD II

March 24 - April 1

Fridays & Saturdays at 7:30 pm

Sunday at 5:30 pm

\$20 General/ \$15 DCAC Members, Military, Students, & Seniors

Richard rules England. His kingship is accepted as Divine Right. All powerful, he is nonetheless increasingly beset by his own foibles. Misguided and arrogant, his rocky reign dissolves as a once competent monarch's vainglory divides the nobility and sets into motion a dynastic division that unalterably leads to a century of war.
